## TO THE TRADE.

We take pleasure in presenting to you our new 1904 Catalogue of embossed Mouldings, Drop Carvings, Ornaments and Turnings. Having added considerable new designs in both Mouldings and Carvings, we are now prepared to supply the wants of those who use this line, better than ever.

We carry a large stock in every design that appears in the Catalogue, in Oak and Birch, and partly in other woods.

We cut our own dies, as our die-cutting department is equipped with all necessary implements, enabling us to make all dies perfect, and gives us the ability to turn out new dies on short notice.

These prices apply to Red and White Oak, regular run of Birch, Maple, Poplar, White or Yellow Pine, Sycamore, Gum, Cypress, etc. More expensive woods, as selected, Red or White Birch, Quarter-Sawed Oak, Walnut, Cherry, Mahogany, etc., are charged according to cost of lumber.

Mouldings can be furnished any size or shape; in any kind of wood desired, embossed with any one of the designs that appear in this Catalogue; only the part that is embossed cannot be changed. Samples sent on application.

These cuts show full size of Mouldings except a few which are marked reduced.

Write for discounts, stating the quantity wanted and kind of wood. Prices are F. O. B. Chicago.

When order does not specify the kind of lumber to be used same will be filled in Oak.

Thanking you for your past favors, and awaiting your further orders, which we assure you will receive our prompt and careful attention, we beg to remain,

Yours respectfully,

**STEPHEN BILEK CO.**

N. B.—If you want a different size of Moulding than appears in this Catalogue don't forget to make a sketch.
